

GMC CTLB

San Antonio Gathering

Dear GMCers,

January 8, 2011

The New Year was started off with a lot of fun, laughter, stories, memories, GMC talk, recipes, great food, photos, lots of hugs, & a few empty chairs for you. Margaret, we missed you, Norman & Scott. Hope you're feeling better since your recent hospital stay with a broken knee cap. Let's don't fall anymore - okay? Several of us were "forced" to eat extra shrimp on your behalf. ha. Guess Earlene, the Lillys, McHaneys, Stephen Wilhite & all the rest of our gang were busy doing other things. "We missed y'all."

Our "Baker's Dozen" of 13 yesterday included Al & Ann Brieger, Richard & Jackie Isenhour, Jim & Nancy Rountree, Larry & Linda Turner, Nancy Fulks, Bob Miller, Ken & Emmy Rose, & yours truly. Bulletins from Lanny's Memorial Service were available for those unable to attend. I will bring a few more to the Rally this week. He will be pleased to see the CTLB continue. I also had to eat a few extra shrimp in his honor. It was a sacrifice, but I juggled a bit to make the extra room.

Something just hit me - we have 2 "Queenie's" in our bunch. They're like 2 pieces of bread: Emmy as our 1st slice, 'incoming' Jackie as our 2nd slice, & our sweet Georgene as the "filling" in-between. So gals, do ya' feel the love? Emmy & Georgene, y'all have done **great** jobs as our Red Hat Queens! We know you will help Jackie as the scepter is passed on to her.

After 21 luncheons at this location, Golden Corral is excited to keep us on their books for another year - & beyond. If you're ever in the area on the 2nd Saturday, you're **always** more than welcome. Stay healthy & travel safely out there. Hugs!

I want to give a special thanks to Billie for her devotion to our CTLB meetings. Not only have we had 21 meetings in San Antonio, we have had over 12 at the Marble Falls location. Billie has looked after us fair and faithful with all those little things like monthly reminders, table setup & decoration, arranging our special Mini-Rallies and edited our monthly reports. Those reports are Fabulous

Thanks For All You Do
