

# TULSA GMC LUNCH BUNCH

Founders Glyn & Melrose Trimble (1999)

July 7, 2017

The Tulsa GMC Lunch Bunch met today for the monthly luncheon at the Golden Corral located at East 71<sup>st</sup> Street and South Mingo Road in Tulsa. There were a total of 27 in attendance.

Present were Robert & Marilyn Musgrove, Clyde Jones, Fred & Peggy Pitezal, Ken & Doree Broostin, John Broostin, Jim & Betty Haynes, Larry & Joanna Potts, Irv & Shirley Pense, Bernie & Renee Baldwin, Sharon Eimen, Bob Ankersheil, Geoffrey Alexander, Monte & Helen Jestes, Pat & Susan O'Brien, Chuck & Anne Meyers and Alan & Janice Thomas.

Alan & Janice live in Fayetteville, AR; and, today's trip to Tulsa was their first outing in their coach.

Ken Broostin reported that our Chisholm Trail RV Trip, which began on May 30 and ended almost two weeks later, was a great success with 12 coaches joining in at the peak of the adventure. Owners were invited to come and go as their schedules permitted; and, that approach seemed to be to everyone's liking. This year celebrates the 150<sup>th</sup> anniversary of the trail. Our GMC group followed the accepted route of the trail from Duncan, OK to Enid, OK which included tours of several trail and period related museums. Several of the group continued on to Abilene, KS which included visits to additional museums and historic sites.

GMC Power Steering Pump Repair – One working, one advising, four watching.

***Corn Harvest Potluck***– Ken & Doree Broostin are hosting this event next Saturday, July 15<sup>th</sup> at their home north of Claremore. Please RSVP to them at 918-342-5843 (home) or 918-637-4718 (Ken’s cell) so that they can plan appropriately for food. Guests are invited to arrive 12:00-1:00pm with the potluck being served at about 1:00pm.

***Crystal Bridges RV Trip***–If you have been to this museum you already know it is a world class arts center. Living up to that tradition, two exhibitsfeaturing the work of artist Dale Chihuly: In The Gallery + In The Forest are presented here this summer. The art medium is primarily glass. Both exhibits will be on display through August 14<sup>th</sup>. The Tulsa GMC group is planning a trip to Bentonville, AR August 11<sup>th</sup> and 12<sup>th</sup>with plans to attend the Chihuly: In The Forest exhibit on Saturday, August 12<sup>th</sup>, 6:00-10:00pm.*Access the Crystal Bridges website to reserve tickets for this event.*
