

# TULSA GMC LUNCH BUNCH

Founders Glyn & Melrose Trimble (1999)

November 2, 2018

The Tulsa GMC Lunch Bunch met today for the monthly luncheon at the Golden Corral located at East 71<sup>st</sup> Street and South Mingo Road in Tulsa. There was a total of 25 in attendance.

Present were Pat & Susan O'Brien, Clyde Jones, Jim & Betty Haynes, Chuck & Anne Meyers, Robert & Marilyn Musgrove, Fred & Peggy Pitezal, Ken & Doree Broostin, John Broostin, Larry & Joanna Potts, Geoffrey & Peggy Alexander, Sharon Eimen, Monte & Helen Jestes, Tommy Manning and Alan & Janice Thomas.

As we were leaving the luncheon, we met Josh Paulson in the parking lot. Josh is the proud owner of a 1977 GMC Motorhome (Explorer 2) with a 455 engine which he bought in Denver last week. This coach was a frame off restoration sometime back; and, the interior and exterior reflect the attention given to this project. I understand that Josh learned about our luncheon from information on the GMCMI website.

Reminder: Ken and Doree Broostin announced that they will host the Christmas Party on December 15<sup>th</sup> at around noonish. A wrapped gift in the \$20 range is suggested if you want to be part of the gift exchange. Attendees are asked to bring your favorite finger food.

Reminder: Some GMCers plan an outing at Osage Hills State Park the weekend before Thanksgiving (15<sup>th</sup> to 18<sup>th</sup>) with members coming and going to fit their individual schedules.

## *Happenings!!*

- John Broostin and his brother Frank spent some time at Lake Thunderbird where they got in some mountain biking.
- Pat and Susan spent some time visiting with Pat's sister in Iowa.
- Betty is doing well after cataract surgery.
- Ken reports that the results from his angiogram were good. He thanks everyone for their concern.

- Helen's recent checkup showed that the cyst on her pancreas is *gone*; and she thanked everyone for their prayers. She also said the Quilting Bus Tour to Missouri and Indiana last month was a lot of fun.
- Geoffrey will have surgery to repair a torn ligament on the bicep on his right arm in a few days.
- Robert and Marilyn were recently visited by his three daughters and a granddaughter who come periodically from Alaska. One of the places they visited was the newly opened Tulsa Gathering Place where one of their favorite memories may be the ice cream.
- Joanna and Larry are the delighted owners of a new (to them), much larger, sob motorhome which they have named 'Grasshopper'. Hopefully, we will be offered a tour soon. This may have something to do with accommodating that beautiful, well groomed, well-mannered pair of dogs with which they travel.
- Anne and Chuck are very active in RV clubs and October was typical for them. They attended a Good Sam's rally in Shawnee as well as a Happy Wanderers (FMCA) rally in Checotah.
- Irv Pense said in a telephone conversation that recovery from his knee replacement has been a slow process, but it is a lot better. He said that he appreciates the concern and friendship of everyone.
- While Sharon's grandson and his wife were on their honeymoon in England, they made a point of travelling to the village of Spaldwick where Ron and Sharon lived in the early 1950's when Ron was in the Air Force. They took a picture of the house Ron and Sharon lived in then and placed it first in a vacation presentation to the family. What a surprise to Sharon who was not aware of their intentions to visit Spaldwick!!
