

TULSA GMC LUNCH BUNCH

Founders Glyn & Melrose Trimble (1999)

July9, 2020

Larry and Joanna Potts hosted the July lunch bunch meeting at their retreat on Grand Lake. This was planned as a Bring Your Own Lunch event in the interest of minimizing possible cross contamination of food. We were tucked in comfortable and dry on this rainy, overcast day with a great view of the lake. Joanna and Larry shared some interesting history on the property including memories of her parents and grandparents. There were 12 in attendance.

Present were Monte & Helen Jestes, Robert & Marilyn Musgrove, Fred & Peggy Pitezal, Clyde Jones, Larry & Joanna Potts, Irv & Shirley Pense and Sharon Eimen.
